

VÉLODROME SYLVAN ADAMS • CNCB

Ride the Olympic boards. *Keep every lap.*

Bromont's Vélodrome Sylvan Adams is a 250-metre indoor wooden track — the very boards raced at the 1996 Atlanta Olympics, now a year-round national cycling centre. VeloIQ turns every ride you take on it into a record you carry for life.

WHAT YOU GET ON THE VELOIQ PLATFORM

IDENTITY

One VeloIQ ID

Link once at Bromont and you're known on every VeloIQ track — your times and profile travel with you.

TIMING

Every lap, captured

Transponder timing puts your Flying 200, kilo and pursuit on the board the moment you cross the line.

PROGRESS

See yourself improve

PBs, time deltas, power and recovery — your trajectory, not just today's result.

Compete beyond your home track

Global

the VeloIQ Series ranks you across every venue, not just Bromont

Live

leaderboards update the moment you ride

Verified

sanctioned efforts count toward real records

Yours

one identity, every track — for life

WHAT THAT FEELS LIKE

Digital rider ID

Tap or scan to check in — on the boards instantly

Leaderboards

Your track + the global VeloIQ Series

Progress & health

PBs, power, recovery, goals with your coach

Shareable moments

Post-session cards worth sharing
